Let's build Momentum and move forward together!

Momentum Therapy & Movement is seeking a **Certified Athletic Therapist** as a contractor to join our health collective located in Williams Lake, BC.

Formerly called Kerri Dunsmore Athletic Therapy, our clinic is located in the heart of downtown Williams Lake. Our small town is a vibrant and welcoming community with access to many amenities and world class recreation opportunities. Whether you are into a sport like rugby, soccer or hockey, or drawn towards the creative energy of the theatre or pottery guild, Williams Lake offers it all. With over 300kms of mountain bike trails close to town, scenic hikes and many lakes for fishing and paddling, the Cariboo is the ultimate playground if you are outdoorsy and crave adventure. With endless opportunity, you will find your niche in Williams Lake.

With such an active community at our fingertips, our clients benefit just as much! At Momentum, we focus on understanding our clients as individuals—whether they're athletes, workers, or investing in self-care and vitality—instead of just treating their injuries. Through thorough assessments, personalized care, and education, we empower our clients to be an active participant in their own recovery so they can keep doing what they love!

The physical space at Momentum is bright, clean, and designed for comfort and productivity. Our working culture is friendly, flexible and organized. Collaboration and positivity make Momentum more than a workplace—it's a hub for growth and teamwork. Joining Momentum means being part of a collective where your ideas and input matter. The more you invest in the clinic's success, the more the clinic gives back to you. *Let's build Momentum and move forward together!*
